2 Just Intervals **2**

3 Equal-Tempered Intervals **322**

4 Historical and Esoteric Irrational Intervals **420**

Edition Notes

This document is generated automatically from the three source volumes of intervalEncyclopaedia.

- Edition title: The Interval Encoclpaedia
- Generation timestamp (UTC): 2026-02-17T22:09:31Z
- Paper layout: 11x17 (landscape)
- Volume count: 3
- Table font size: `scriptsize`
- Table spacing: tabcolsep=4.00pt, arraystretch=1.150, extrarowheight=0.60pt
- Decimal render policy: max_decimals=12, trim_trailing_zeros=True
- Optional row styling: zebra=False (2.5% black), header_shade=False (7.5% black)

Chapter 1

Volume Index

Tag	Title	Source File	Source Format	Total Rows
JUST	Just Intervals	`just-intervals.txt`	txt	15616
TEMPERED	Equal-Tempered Intervals	`tempered-intervals.txt`	txt	4752
HISTORICAL	Historical and Esoteric Irrational Intervals	`historical-intervals.txt`	txt	4536

Chapter 2

Just Intervals

- Tag: `JUST`
- Source file: `just-intervals.txt`
- Source format: txt
- Total rows: 15616

Tabular Content

ratio	ratio_decimal	prime_factorization	cents	largest_prime	odd_limit	common_name
